

JOSHUA NATIONS

April 2016

Joshua Nations Schools

6,751 Schools in 45 Nations, 55 Languages
146,730 Students, 31,598 Graduates

On April 7, 2016, a group of thirty one people from five states along with one international leader from Ghana convened for a one day strategy meeting. Dr. Russ Frase Jr., President, and Jason Holland, Director of Operations, cast the vision for the future of Joshua Nations, established new guidelines for our representatives, and encouraged everyone who attended. Ten new attendees are ready to be trained to train leaders to start Bible Training Centers in the nations.

Due to many new invitations and divine opportunities, we are building our "bench strength." This year, we will be training leaders in twice as many nations as last year! In the months to come, each of you who support Joshua Nations will have a multitude of victories to rejoice over. New translations, more printing of books, new nations on the horizon this year, many new Bible Training Centers being started, hundreds of new graduates, and many more being released into ministry. I have never been more excited about the growth, and the future of Joshua Nations.

This Month:

New Initiatives

A Revelatory Vision from the Lord

I had just flown in from a month of most fruitful ministry in Africa and Asia. It was 12:30 a.m. when I laid my tired and spent body down onto my own welcoming bed. I slept for twelve hours and just before I woke up in my new world of "home", I had a revelatory vision from the Holy Spirit. In a very clear manner He spoke to me in my spirit, "Multiply yourself in seven ways in these days."

1. Successful completion of the succession/transition process
2. Recapture and reclaim my family to God's will in their lives
3. Research and writing
4. Develop a missions mentoring program
5. Establish a Bible School in the Denver Metro/Mountains Area
6. Raise up seven "distinct leaders"
7. Create and develop a visual legacy

Perhaps the Lord wants to map out some new initiatives for your life. Be open to going further than you have gone, to do what you haven't already done, and to accomplish more for Him.

Kentucky

Jason Holland, Joshua Nations Director of Operations, has just concluded a three-day, power-packed church planting seminar in Lexington, Kentucky. Ministry leaders from six denominations will work to implement their training in Kentucky, North Africa, and Japan!

Wyoming

Pastor Steve and Christie Owings have been pastoring for ten years. Through a series of miraculous and supernatural events, they now have Living Water church campuses in Frederick, Lafayette, and Casper, Wyoming. I have never seen such great favor of God on a couple like it is on Pastor Steve and Christie. Steve

Pastor Steve and Christie Owings, new Joshua Nations Representatives

oversees a 15-member apostolic team whose mission is to train, equip and empower believers to do the work of the ministry. God has greatly gifted Steve and Christie in healing, deliverance, and teaching in the nations, particularly in Asia. It has been a great honor to travel with them. They have now opened Laos and Vietnam to the ministry of Joshua Nations. Steve and Christie are both soon to become JN representatives. We welcome them warmly as they prepare to join the Joshua Nations team.

China

Dr. Frase and Jason Holland will be training leaders and church planters and will also strategize with the underground church leaders in China from April 23 to May 2, 2016.
