Dear Joshua Nations Partner,

June it is! It seems like it was just New Years. I am writing to you from a coffee shop in Glens Falls, New York, where I am working on my book. We have had a wonderful time ministering in local churches here.

As with the children of Israel, God is bestowing great favor on us as we go to the nations of Cuba, Congo, Burundi, Rwanda, Thailand, Myanmar, Vietnam, and China. Since January, our JN representatives have been in Tanzania, India, China, and Honduras. God has done so much through your gifts and prayers these first six months of 2016!

Vietnam

God gave us a high impact ministry in both North and South Vietnam. We trained approximately forty-five leaders to start Bible Training Centers, and we conducted trainings to plant churches. They were so hungry for the things of God. One lovely couple was from Tibet, and they took materials to start schools there. We also brought in the person the Lord chose to translate the Holy Spirit manual into the Vietnamese

“On Top of Your Game”

Recently, a dear friend said in an email, “You are on top of your game.” Well, at 72 years old, that was very encouraging. I began to mull that over... What exactly does it mean to be “on top of your game?”

1. It is to be the most fruitful you can be in the season you are in.
2. It is to have a continual vision of being used strategically by God in the season to come.
3. It is to have a burning passion for Jesus and your times with Him.
4. It is to have an insatiable appetite for the Word of God.
5. It is to live expecting more of God, of Jesus, and of the Holy Spirit.
6. It is to fight the good fight, to finish the race, and to keep the faith.
7. It is becoming like Jesus and doing everything with His purpose!

The Apostle Paul was there: “I have fought the good fight, finished the race and kept the faith.” - 2 Corinthians 4:7 Here’s to running the race for 20 more good ones!

language. The Lord gave us a great leader who will network and coordinate the Bible Training Centers in Saigon and Hanoi. For security reasons, our photos do not show their faces. We thank God for Steve and Christi Owings opening this nation to us.

I was able to minister to about fifty youth with two young ladies embracing Jesus and approximately twenty-five others surrendering to full time ministry. God has favored us with a beach head into this desperate nation. Our plans are to return in December to continue to build relationships and strengthen what has been started.

Our Mission

- Unbelievers become Believers
- Believers become Disciples
- Disciples become Leaders
- Leaders become Fathers

Thailand

It was a great joy to have Aje and Paul Vernon with us in Vietnam. Aje was able to make some key connections to the Akha people in Vietnam. He informed me that four more Joshua Nations Bible Training Centers were starting in Akha villages. Aje's influence has resulted in over one hundred families trusting in Christ, which greatly affects and impacts the villages. He and Nancy and their staff are literally changing an entire culture.

Aje has also planted twenty-five churches, given a home to one hundred orphans, and along with accomplished linguists, has just translated the New Testament into Akha! He is currently working to translate

the Old Testament, and brings 150 leaders into their compound once a month for training! Aje travels and teaches for the Haggai Institute out of Singapore. What a joy it is to partner with Aje and Nancy.

Honduras

The Little Lady in a Big Nation

You may recall back quite a few years ago, when Joshua Nations outfitted missionaries in Thailand with ten motorcycles. One of those motorcycles went to a "young and little lady" who has started twenty-two churches in China. The police interview her constantly, and because of her Christ-like demeanor they always buy her lunch and let her go. You never know what a "piece of metal on tires" can do in the kingdom. The seeds you have sown into Joshua Nations will reap a harvest as long as this earth remains. Oh, how grateful Lana and I are for you!!
