

JOSHUA NATIONS

September 2016

Joshua Nations Schools

6,860 Schools in 45 Nations, 55 Languages
148,818 Students, 32,751 Graduates

Dear Joshua Nations Partner,

Fall, along with football, has filled the air. Coaches are consumed with plans and ways to win! Likewise, Joshua Nations has great game-winning strategies for the rest of 2016. Our plans include ministry trips to five nations, translation of materials, printing and publishing curriculum and Holy Spirit training manuals. The Spanish and Mandarin translations of the Holy Spirit training manual are finished, and we are awaiting the translation of eight more languages

India

I am writing to you from India where we have trained over 200 church planters. The window is open for India, and this is India's hour for the gospel. We already have over 50,000 students in Joshua Nations Bible Training Centers through the marvelous work of Dr. James Chacko and LifeBridge Ministries. In collaboration with Diane Brask, Founder and Director of Global Seed Planters, we have also launched the "Story Tellers Revolution" to reach those who cannot read or write. It is estimated that eighty percent of those in India cannot read or write, not to mention other

third world nations. In addition, we have met with key leaders to return to India in January and February, 2017. We are now strategizing ways to impact this great nation over the next ten years.

Colombia

This was a very fruitful initiative for Joshua Nations in collaboration with Jaime and Lori Useche and Dr. Tony Nichols. The Lord poured out His Spirit in Colombia! Over 2,000 people professed faith in the saving grace of Jesus Christ. 16,000 Bibles were distributed, and 800 sets of Joshua Nations' curriculum were released to more than 150 newly trained Joshua Nations Bible Training Centers. We were also able to establish a coordinator over all the new Bible Training Centers.

Update on RMBI Graduates

God has His hand upon Rocky Mountain Bible Institute graduate, **Cesar Portillo**, who has planted five churches in South Africa and Panama. Cesar, his wife, Monique, and their four children are currently in Denver, ministering at Victory Outreach. They are waiting for their next assignment. Please pray for them as they seek God's will for their future. We are very proud of Cesar and Monique!

It was a joy to have **Penny Ikner**, RMBI graduate minister with us at our conference in India. Penny and several of her friends are going to be trained this October to be our newest Joshua Nations representatives. Penny now lives in Maryland and is a corporate nurse for 3,500 JP Morgan employees.

We are so amazed at the work of God through Penny's life, and we are so proud of Penny!

Joshua Nations Fundraiser Testimonial:

We hope you will join us on *Tuesday, October 4th, for the annual Joshua Nations Fundraising event. Below is a testimonial from a supporter and recent attendee:

Dr. Frase ministering the word to a cell group in India

"I have always admired the work of Joshua Nations in advancing the Kingdom of God. I read the newsletter and give when I can. The last event opened my eyes to how I can be involved in what God is doing in the earth. I realized He has invited me to be a part of it by giving, praying, and maybe even going"

Gypsy Bible Training Center

Joshua Nations representatives

Mike and Misti Aletheuo have started a new Gypsy Bible Training Center in Denver, the first of its kind. This is an inroad into the Gypsy community here in Denver. They have sought the Lord and this is the work of over a year of planning. Thank God for Mike & Misti!

16,000 Bibles given to Colombian pastors, hungry for the Word of God

Bible Schools in Colombia

Just before one of my trainings in Colombia, a couple came up to me and said, "We have started 4 schools with 50 students here in Colombia; we were trained at another event over a year ago." There are numerous examples just like this one that we hear constantly.

God's Word is going forth throughout the world, and we get to be a part of it.

Dr. Frase ready to hand out 800 sets of Joshua Nations curriculum

Together, we can sow the seed of God's Word in the hearts of all people and we can also reap a plentiful harvest for His Kingdom.

Joshua Nations is indeed good soil for your seed! Your giving will increase your fruits of righteousness, causing you to be enriched on every level, bringing many thanksgivings to God. Lana and I give glory to God for your past and future gifts that help further His Kingdom! We encourage you to be a part of our team with your prayers, gifts and even by packing a bag and going with us. You can give online at our website, joshuanations.org. You can also mail a check to the address in this newsletter.
