Dear Joshua Nations Friends,

The fall is developing beautifully before us. Back to school, football and a great sense of expectation for our remaining months of 2017. We are as hungry as ever for the harvest as we recently returned from Mexico City. Carl & Lani Rogers and Pastor George Morrison joined me in training 250 leaders to start schools and ministering in churches with great spirit-filled services. We are rejoicing over those who gave their lives to Christ and the establishing of a stronger beach head in this city of 22 million people. Once again we say thank you, our partners for making this possible. You are our "hidden heroes" faithfully plodding along with us all these years.

A pastor approached me after our first session and informed me that he had printed 1,000 Holy Spirit manuals in Mexico City and needed 1,000 more. We gave each member at the conference a copy. I am now teaching on the Holy Spirit to 60 wonderful ladies from ten different denominations on Wednesday evenings.

Seek and You Will Find

I love to look in other people's Bibles. It always amazes me what great truths I find. I was in a coffee club with Pastor Steve Schafer, who had his well "worn and torn" Bible with him. As I rummaged through it for a "preaching thought" I happened upon Psalm 1, and there it was... three awesome truths peered out at me from those weathered pages. Then I added a couple of more:

Five Great Truths For the Believer's Walk:

1. We are to be **separated** from the **world**. vs 1
2. We are to be **saturated** with the **word**. vs 2
3. We are to be **situated** by the **water**. vs 3
4. We are **successful** by our **works**. vs 3
5. We are **secure** in the **way**. vs 6

We have all of the video teachings on the Holy Spirit available for \$15, plus our JN curriculum, Holy Spirit manual and other church planting materials.

Denver and Aurora

Last year Carl and Lani Rogers trained Pastor Empress Lugo to be a Joshua Nations Representative. This amazing woman of God has an awesome church in Denver, travels to the nations and has taken Joshua Nations into the Aurora Prison Processing Center. She ministers to about 1,000 inmates, three times a week, every week. We graduated several inmates in December of 2016, and 25 more inmates in March of this year.

The population is very fluid and inmates come and go quickly. Because they are able to spend one to twelve hours a day studying, they are able to complete a full year's study in just six to seven weeks. Hearts are changed, souls are saved and the kingdom advances. We trust that God watches over these inmates and guides their lives after they leave the walls of the prisons.

In Colorado, we have just graduated 35 leaders from El Shaddai with Pastor Empress Lugo. This church represents 19 nations and is having a huge impact here and abroad. Joshua Nations now has schools at Gateway on Mt. Zion in Evergreen, Living Waters in Lafayette and El Shaddai in Lakewood.

Testimonies from Cuba:

Pastor Abel and Beatriz are a young couple from Cuba that have a passion and drive to see God move in great ways.

Pastor Jason Holland with Beatriz

Their ministry has grown significantly in just a short period of time. Abel and Beatriz reach over 150 people each week in their facility, and another several hundred through partner churches and missions on a regular basis. Their work in Village La Susana is bringing true transformation to the region. God is using this young family to seek and save the lost. New believers are getting baptized, trained and disciplined for immediate service in the Kingdom of God. Pastor Abel hopes to launch a Joshua Nations Bible Training Center in 2018. While at their home, we found they were in great need of a home addition and a washing machine. With three children, washing clothes by hand is a significant investment of time! Joshua Nations and faithful friends have come together to sponsor the purchase of a washer and dryer and the addition of an extra room to their home. I praise the Lord for this miracle of provision! Please pray for the Lord's continued faithfulness in and through this couple.

Pastor Luis Enrique and Yunaiky are incredible missionary pastors that have been commissioned to take over the hardest of hard places in Cuba. Being recognized for their ingenuity and resolve to persevere, they were sent to a village on the coast called Jucaro. It was here several years ago, that the local church endured intense persecution and violence. After great struggles, the previous pastor and his family were forced out. Without a church in the village for quite some time, Luis and Yunaiky, along with their children, took up the call and said yes to Jucaro. Now they are evangelizing, pastoring and will soon launch a Joshua Nations Bible Training Center. Luis is a graduate from one of the very first Joshua Nations classes more than a decade ago! It is so exciting to see him continue in the work of Jesus today!

This Just In

Steve Owings, along with his wife, Christie, just started a Joshua Nations school at Living Water North Gate Church in Lafayette, Colorado, off of South Boulder Road. Just last week, they began classes for 30 students, ranging from thirteen to eighty-years-old!
